Milk and Dairy Products

What our framework covers

This framework covers milk and dairy products, including:

Milk	Cheeses	Yoghurts
Bread	Eggs	Cream
Butter	Flavoured milks	Fruit Juices

Dairy free milk substitutes are also available under this framework.

Take advantage of our unique framework benefits

We've got you covered.

Easy Access to supplier price files that facilitates a simple call-off process that enables customers to set up supply arrangements quickly and simply.

Commitment to social value.

Framework Suppliers' have the ability to provide social value to customers in line with the Public Services (Social Value) Act 2012.

Sustainability at its heart.

The awarded Supplier has been tested for their commitment to ensuring that Products and/or Services are delivered to the customer in a sustainable manner accounting for environmental, economic and social factors.

Standards you can trust.

Includes a comprehensive range of products that combine quality and value, and satisfy all dietary requirements and Government Buying Standards, including the dietary requirements for schools.

What to do next

We are always happy to help so if you need more information or additional documents before accessing the framework you can request these from the team. If you have already used the framework just let the us know by completing and returning a Confirmation of Award document; this is so we make sure our suppliers are performing to a high standard and that our customers' needs are being met.
