*These are average values. 3M does not guarantee every roll will have these specific test values. Actual values may vary and may be greater than or less than the averages listed.

Features:

- Great for hanging lightweight items, decorations and temporary posting of papers.
- Made with Post-it® Technology for clean and easy removal.
- Removes cleanly from walls and other home and office surfaces.
- Safe for painted drywall, stainless steel, tile, wood, mirrors and windows up to 30 days.
- Maximum recommended weight is 14g.

Applications:

Any light-duty application where removability is desired. Temporary hanging of papers and light weight items.

Note:

Test removability before using. Avoid use in applications where clean removability from clay coated or specially treated papers is required. May tear or pick fibers from loose bond papers such as newsprint, Kraft paper, and paper products not manufactured by the screen process. Not recommended for use on wallpaper, delicate surfaces or flat paint. Maximum recommended weight is 14g. Cleaning and conditioning products may affect adhesion.

Best storage conditions are 21 degrees Celsius and 50% relative humidity.
