Ingestion:	Accidental ingestion should produce no ill effects
Inhalation:	Not applicable
Effects and symptoms:	No specific and/or symptoms have been reported or known
Protection of First Aiders:	Avoid Exposure. Use appropriate protection

5. FIRE FIGHTING MEASURES

Suitable extinguishing media:	Water
Special exposure hazards:	None
Protection against fire & explosions:	Peat is a combustible material so this product should not come into contact with naked flames
Extinguishing media suitable:	All types of extinguishing agent permitted
Special fire-fighting procedures:	Dike fire control water for later disposal
Hazardous thermal (de)composition products:	Burning may produce nitrogen oxides and carbon monoxide

6. ACCIDENTAL RELEASE MEASURES

Sweep up into suitable container and wash affected area with water.

Personal precautions:	Wear gloves. No other specific personal protection equipment is required
Environmental precautions:	Prevent dispersion
Methods for cleaning up:	Collect spilled material in sealed containers

7. HANDLING AND STORAGE

This material should be handled using good working practices.
Store in original packaging in a cool, dry place away from chemicals and pesticides.

Handling:	Prevent formation of clouds of dust
Storage:	No specific protective measures are required. Keep in a cool, dry well-ventilated place
Packaging Materials Suitable:	Keep in bags or containers

8. EXPOSURE CONTROL/PERSONAL PROTECTION

Personal protective equipment:	No special protection is needed when using this product as directed. Wearing gloves is recommended when handling compost
--------------------------------	--

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state:	Peat based compost with nominal size 0-12 mm
Colour:	Dark brown
Odour:	Slight peaty
Solubility in water:	Mostly insoluble

10. STABILITY AND REACTIVITY

Stability:

Stable under normal conditions

Hazardous reactions:

None reported

11. TOXICOLOGICAL INFORMATION

None available.

12. ECOLOGICAL INFORMATION

Product is biodegradable.

13. DISPOSAL CONSIDERATIONS

Disposal in accordance with local regulations.

14. TRANSPORT INFORMATION

No transport restrictions.

15. REGULATORY INFORMATION

EU Regulations.

16. OTHER INFORMATION

None.
