12th February 1996

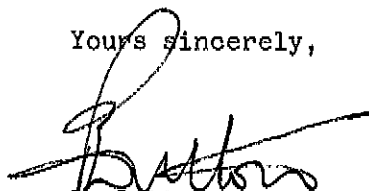

Dear Mr. Arnold,

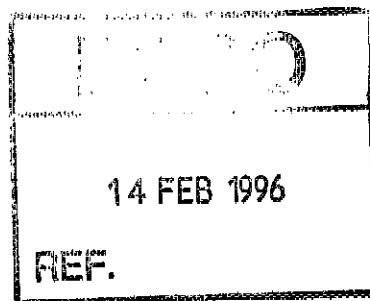

Re: Product Safety Data Sheets

We thank you for your letter of 30th January and list of our products you take. In fact, these do not come within the scope of the Chemical Regulations as there are no hazardous substances involved.

However, they are required to conform to EN71 and we enclose copies of the relevant Test Certificates for your records.

Yours sincerely,

P. Dutton
Director
