

e-250 whiteboard marker black

Whiteboard marker for writing and marking on whiteboards and also suitable for flipcharts. The writing is dry-wipeable from virtually all non-porous surfaces such as enamel and melamine. The round nib has a stroke width of 1.5-3 mm. Thanks to the cap-off technology, the cap can be left open for several days without the product drying out (test climate according to ISO 554). The whiteboard marker ink is lightfast and quick-drying. The product is refillable with edding BTK 25 refill service. Suitable spare nibs (edding 250 spare nibs) are available. With no added butyl acetate. High-quality aluminium barrel.

Article number: 4-250001
Material number: 1453001
EAN (GTIN): 4004764012916

General

Object type	Article
Packaging type	303 - Boarding
Material type	HAWA - Trading goods
