ESPO framework 2838_23

We would like to hear your feedback on this framework and how you think we could improve it in the future.

RENEWABLE ENERGY SOLUTIONS

Framework scope

This ESPO framework provides access to a range of renewable energy systems for renewable energy projects. The framework is divided into the following lots:

- Lot 1 – Supply, installation and maintenance of solar PV systems and associated products
- Lot 2 – Supply, installation and maintenance of heat generation systems and associated products
- Lot 3 – Supply, installation and maintenance of wind turbine systems and associated products

All of the suppliers on this framework have been selected for their experience and ability to provide customers with a range of products and services that combine quality and value, and satisfy renewable energy accreditation requirements.

This page is intended to provide you with an overview of what is available. Please refer to the full User Guide for more information.

Who can use this Framework?

The framework is available for use nationally by any public body in the UK including, but not limited to...

- Local Authorities
- Educational Establishments (including Academies)
- Central Government Departments and Agencies
- Police, Fire & Rescue and Coastguard Emergency Services
- NHS and HSC Bodies, including Ambulance Services
- Registered Charities
- Registered Social Landlords
- The Corporate Office of the House of Lords, The Corporate Officer of the House of Commons
- or any public body established by or under the Scotland Act 1998 or any Act of the Scottish Parliament

Benefits of using this Framework

- This framework is compliant with UK procurement legislation - we've done the work, so there's no need for you to run a full procurement process.
- All suppliers on all lots are members of the Microgeneration Certification Scheme.
- Suppliers listed on the framework were assessed during the procurement process for their financial stability, track record, experience and technical & professional ability.
- What you see is what you pay – there are no additional charges.
- Pre-agreed terms & conditions are in place to underpin all orders so no need to worry.
- Social value benefits can be obtained

About ESPO and our frameworks

ESPO is a local authority owned purchasing and supply consortium. It is jointly owned by the county councils of Cambridgeshire, Leicestershire, Warwickshire, Lincolnshire and Norfolk and city council of Peterborough.

We have over 40 years of experience in public sector procurement. All of our frameworks are let in full compliance with UK procurement regulations (and the EU procurement directive).

ESPO is a not for profit, self-funded organisation. ESPO recovers its overheads by means of a retrospective rebate from the suppliers. The rebate levied averages less than 1% of framework turnover.

ESPO's specialist buying teams have extensive experience of providing high quality procurement solutions to the public sector on a nationwide basis.

At ESPO we use our expertise to work with our strong and varied supply chain to bring you the best value procurement solutions possible.
