A collection of stationery items is displayed on a light-colored surface. In the background, two closed notebooks with marbled covers are visible: one in a vibrant pink and another in a deep purple. Both notebooks feature a rectangular label area with horizontal lines. To the right, a purple cup holds three pens in purple, green, and pink. Two flexible rulers, one green and one purple, are placed horizontally. In the foreground, an open notebook with a white left page and a pink right page is shown. The pink page has a matching marbled label area. Next to it is a closed blue notebook, also with a marbled label area. Three pink sticky notes are scattered around: one in the top left, and two in the bottom right.
